In certain cases such unauthorised persons have been apprehended by AAI and have been handed over to the police for taking necessary action as per law. Touting being a criminal offence, is also being dealt with by the Police posted at the airport. The facility of pre-paid taxi service is available at Delhi airport. An arriving passenger can easily avail this facility which is operated by Delhi Traffic Police and records of passenger, taxi number, destination etc. are kept. Tourism counters operated by Tourist Department of Government of India and by Delhi Tourism Development Corporation are also available to domestic and international arrival terminals of the IGI Airport, where passengers can get information for booking hotel accommodation.
